

FRCM Minutes 10/14/04

Meeting - Roland called the meeting to order at 1930 hours. 50 in attendance.

Corrections

- Dominators are Racing at **40** MPH NOT **240** MPH?
- The fun fly was moved to the 24th and not on the 17th.

New Members: - Howard Wakefield, Don Adams II, Dan Reeseberg, Michael Walsh, Joshua Nettles, Chuck Hager, Carl Anderson, Andre McFayden, Reese Scope (?) - All were voted in.

Guests

Don Adams Sr. from Lancaster.

Treasurers Report

Exceptional success at this years Jet Rally Jim Breen reported that the balances in the various accounts (operational, demolition etc. looks good)

Old Business

(1) Club picnic and fun-fly will be October 24. (2) The new storage trailer was delivered. Trailer will be cleaned and painted next spring.

New Business

(1) Need to update the website with the new application form (2) Dave Fusinato discussed the need for a water-tender. Some individuals suggested either running a water line from the Guys or leasing or renting such. Manuel discussed that the Guys offered water as needed. Ron suggested the field committee look at pulling a line. Potential costs may exceed funding availability. It was recommended to table this for now but keep it in focus in subsequent meetings. (3) John and Dave discussed the excess inventory of shirts from the Jet Rally. Club moved to reimburse John for the shirts. Shirts will be sold at cost to recover expenses. (4) Madera float fly at Millerton on Sunday the 17th (5) Christmas Party will be on December 18TH at **Club One** (6) Nominations for Club Officer. Conrad Nerdahl (Secretary), Jim Breen (Treasurer), Dan Sozinho (VP), Roland Lamer (President). (7) A rep from Hobby-Town discussed the Hobby Card option for AMA holders.

Awards

- **Crying Towel** - Steve Stonecek for entering an unneeded heat at Parker. George Duerkson for losing the Edge 540.
- **Goof** - Steve Stonecek for cutting pylons at the Parker races. John Lockwood and George Duerkson for failing to pull the antenna on the buddy box during a joint flying venture.
- **Ace** - John Lockwood for saving Jacks ARF which lost the vertical stab. Dave Fusinato for the Jet Rally. Steve Stonecek was nominated for exhibiting exceptional racing skills at Parker.

Show and Tell

- Jack showed his best float flyer.
- Another individual showed custom P_51 exhausts for Saito and MDS engines but not limited to just those models.
- John L. showed one of the custom embroidered chairs to alpha designs.
- Travis showed an electric motor drive conversion. Cowl was made out of an old 7-UP bottle.

Meeting ended at 9:04 pm
