New Business (1) Per John Lockwood, the next club race is May 7th. (2) It was learned, that the property the FRM field is on has been listed for \$1.2 million for the 40 Acres of land inclusive of this field. Realtors are aware that there is an FRM lease through 2010 for the 3.5 acres the strip is on. A motion was made to carry the listing in our newsletter; as well as, a motion was made to create an ad-hoc committee to further research this issue. George Santikian will coordinate some research and report at the next meeting on what's going on. (3) The Madera float fly schedule will be listed in the newsletter.
