

MINUTES OF THE LAST MEETING

June 9, 2005

The meeting was called to order by President Roland Lamer at 7:35 p.m. There were no additions or deletions to the minutes of the last meeting. There were 24 members in attendance.

TREASURER'S REPORT: In the absence of "vacationing" Jim Breen, George Santikian read the Treasurer's Report (provided by Jim). All accounts are doing well; Our recent Giant Scale event netted a nice profit as well!

GUESTS: None

NEW MEMBERS: None

OLD BUSINESS: None

NEW BUSINESS:

Membership discussed need to paint the storage shed at the flying site; Paul Bourzac is willing to provide equipment; Motion was made to buy 5 gallons of paint for the job; Motion was seconded and passed; Job will be done when Field Chairman Ron Thalman can coordinate.

Vern Lamley mentioned need to "get off the runway" as soon as possible when landing so as to not interfere with other landing pilots...safety issue!

It was mentioned that FRM member Bill Lauck was hospitalized recently; Care to "get well" was sent and membership voted to issue a \$60.00 Hobbytown gift certificate to Bill. Best Wishes, Bill!

It was also mentioned that long-time FRM member Jim Chapple's wife had passed away; Our deepest sympathies to Jim and his family over their loss.

Albert Movsesian, who resides at 274 W. Sierra, Fresno, has asked for some assistance; Albert, due to a recent surgery, cannot drive his van and would like to have someone come to his home and drive him to our flying site, on occasion, to attend contests, watch the flying, etc. He is willing to use his own van if someone can drive him; Contact Albert at (559) 435-0485.

John Lockwood reported that the next Club Race will be held on July 9, 2005.

AWARDS: Ace: Ray Bergeron who performed his first "solo" landing; Goof: Dave Goerlich for damaging his plane while performing a "wild turn" from Avenue 12 on to Highway 41; Crying Towel: Craig Roberts for crashing his plane and "taking-out" the landing gear.

SHOW AND TELL: John Lockwood showed his Giant Scale Planes F6F Hellcat; John mentioned that the kit is very good in quality and appearance and reasonably priced; Nice looking plane, John!

MEETING ADJOURNED: 8:20 p.m.

RAFFLE: Milt and Bob once again had a great array of R/C prizes featuring a nice R/C kit, fuel, glue, among many other fine R/C items; Keep up the good work, men!
