

**Fresno Radio Modelers
Meeting Minutes 7/13/2006**

Meeting was called to order at 7:30 PM

No changes to previous minutes. With about 40 members in attendance.

Treasures Report - Jim reported the balances are good despite advanced expenses for the Jet Rally and T-34 Races.

New Member

- Karl Kent was voted in.

New and Old Business

(1) Carl M. suggested we request that new prospective members attend at least one visit with a member before getting voted in. Some minor discussion followed that reinforced the by-laws. (2) John reminded the membership about the 3-D event that was briefly discussed and approved at the June meeting. (3) John also reminded us of the T-34 races at the end of July (7/29/06). (4) Carl Kassabian filed the report with the Flood Control District and brought a Board rep out to the field to get a feel for our overall needs. He further brought us up-to-date on all the challenging facets. (5) Also discussed that as per By-Laws, a late fees change that was passed by attending members in May now goes into affect. (6) Dan Sozinho shared that Leroy Sabatini indicated he wanted to host an annual event at his place. (7) The next fun meeting is coming up. (8) Craig Roberts suggested we explore the feasibility of establishing an FRM blood bank inventory. Roland and Craig suggested we explore other local and smaller venues such as Champ Camp. (9) Hobbytown USA has indicated that they will match most any other vendor on models so that they can get some turnover.

Awards

Ace - Mark Taylor for winning two national major events with his Turbine Jet.

Goof - Jack Wiems for his near miss with his pizza box flyer.

Crying Towel - Wayne Browns P-51 crash.

At-A-Boy - Craig Roberts for the Garden Tractor donation, Don Tatum for keeping the gate locked and Dan and Mark for organizing the fun meetings.

Show-n-Tell - Jack and his pizza box float-flyer. Carl for his laser cut wing ribs. John Cook with his EP-glider video.

Meeting adjourned at 8:45 P.M. followed by some more good raffles.
