FRESNO-MADERA JET RALLY 2006 was a whopping success! We cleared over \$4000! I received many complements from the pilots on our field and the rally in general. I do believe it wouldn't have made near the impact on the pilot without the help I received from our club members. Starting on Monday before the rally we spent many, many person hours on field clean up and it really showed. I would like to thank the following members (in no particular order) for they're selfless dedication to the task.

Monday/Tuesday clean up;  
Ray Firth, Mike Walsh, Alan Larson, Carlos & Francie Valentine, Doug Cook, Bob Rebensdorf, Dan Sozinho, Bill Geise and Milt Post.

Event help;  
My wife, Michele, our sons Marc, Scott and his fiancé Lindsey, Carlos & Francie Valentine, Milt Post, Dick Champion, Manny Martin, Gary & Molly Wucinski, Matt Raymond, Dave & Cara Fusinato, Alan Larson, Bill Geise and Cole Rebensdorf.

I hope I am not missing anyone as I was trying hard to keep track. If I missed you PLEASE let me know because you deserve recognition for your efforts.

Folks these are the new guns helping to make our events successful.

My hat is off to you all.

Craig Roberts - Event Director.
