

**Fresno Radio Modelers
Meeting Minutes February 8, 2007**

The Meeting was called to order at 7:30 PM by the President Roland Lamer.

There was one addition or correction to the Minutes of the last meeting. This being the spelling of Paul Bourzac is now hopefully corrected.

Treasurer's Report: Doug Cook read the report.

Guests: Hobby Town owner John and his wife.

New Members: Quang Ngo, David Chandler, Homer Stevens III, and Bruce Goldstine

Old Business: (1) Key for handicap outhouse is located over the microwave.
(2) Firewood was purchased.

New Business: (1) **Electric Fly-In Replaces** Helli Fly-In (Check Schedule of events for changes). (2) Madera Rancho's Parade May 5th with "plane train" (3) AMA Gold Leader Club was renewed by Craig. (4) The \$25 Fee has been paid to CA state parks for the Float Fly privilege at Millerton. (5) New **Safety Official is Mike Walsh**. (6) Voted on and passed include (7) \$250 for John Lockwood for T 34 related event costs for the March 31st event, and (8) **New Safety Rule: Your AMA card is to be place on the Frequency Hook when you take the Frequency (channel) stick**, rather than having it displayed on the person. This is similar to what many clubs do!
(9) **Club racers** will have a pilots meeting regarding "**rules enforcement**" before the start of the Sunday March 4th Club race. Make sure your airplane and engine are legal to race, or face consequences.

Show and tell: Craig Roberts: built up float with servo inside, and Bill Louck: electric powered Sky Raider Mack II.

Ace: Doug Cook for starting the Club Racing season with a perfect score (5 wins in the 5 heats).

Goof: Wayne Brown for blowing a perfect landing by hitting the gear switch after touchdown.

Crying Towel: Doc Weber's Cap 232 wing folded up in flight and demolished it.

Meeting adjourned before 9 PM followed by **The Raffle**.

Minutes submitted by Stan Cole, Secretary
