

**Fresno Radio Modelers
Meeting Minutes April 12, 2007**

The Meeting was called to order at 7:30 PM by the Vice-President Dan Sozinho.

There were no deletions or correction to the Minutes of the last meeting.

Treasurer's Report: Doug Cook read the report.

Guests: None

New Members: Ron Chandler and Lin Masingham (spelling ?) were voted in.

Old Business: (1) Mark Taylor (and another person) will CD the upcoming Jet Rally September 21-23.

New Business: (1) Craig Roberts talked with Mr. Gilman (Ranchos resident) about the aircraft noise which has been annoying him lately. It seems to be some lower pitched sounds, maybe from the 3D event, but D. B. testing will or has been done. This stands as a reminder to members to check their mufflers for effectiveness. (2) We may increase the dumpster size as the current size is too small for the amount of trash we generate much of the time. (3) April 28-29 **Electric Fly-In** with Ed Holder CD has a \$10 entry fee. (4) May 5-6 is the IMAA **Giant Scale Fly-In**. (5) We are getting prices for replacing netting with a **chain link fence** between the flight line and pits, so far about 255 linear feet at about \$1.60 per foot, depending on wire size.

Ace: Craig Roberts for flying a T-6 for Oakhurst Bob.

Goof: Larry West for leaving his transmitter on, and on the starting table while putting the channel paddle back.

Crying Towel: Brian Freeman: missing the T-34 races that he entered.

At-a-boy: Brian Freeman for returning to the T-34 event.

Meeting adjourned before 9 PM followed by **The Raffle**.
