

**Fresno Radio Modelers  
Meeting Minutes June 14, 2007**

**The Meeting was called to order at 7:33 PM by the President Roland Lamar.**

**There were no deletions or correction to the Minutes of the last meeting.**

**Treasurer's Report:** Doug Cook read the report.

**Guests:** Mike (last name not understood) would like to be new member as soon as he gets his AMA.

**New Members:** Jim Fuller, James Kirkman, Jeff Steffenson, Mike Morgan (Not Present).

**New and Old Business:** (1) Quick update on property acquisition, nothing really new.  
(2) A re-Vote on Chain Link fencing proposal to replace fabric fence/net did not pass.

Upcoming events reminder from J. Lockwood: July 8<sup>th</sup> (Sunday) Club Race.

**Ace: None**

**Goof: Shared by 3: Bobby Fisher, for hitting the pylon start/finish cone and Dennis Rossi for removing the cone, then putting it back out after the Wednesday group re-installed the Shade. Also Coarsegold Bob for trying to use his starter for a transmitter????**

**Crying Towel: Bobby Fisher for hitting the Pylon/Cone well across the centerline of the field way out in the dirt.**

**At-a-boy: The Wednesday Group for putting the Shade back up!**

**Show and Tell: John Lockwood brought a can of K2R Spot remover (apparently back on the market) which is used to dry or remove fuel and oil from wood (usually fuselage). Dudley Moordigian brought in an adjustable Tail Skid stand that he makes for some type of Cargo carrying Cessna? Roland showed of a couple of Jack's fantastic tomatoes.**

Meeting adjourned well before 9 PM again, followed by **The Raffle**.
